

SPL-3 Mid Term

Presentation Guidelines

1. The focus of the mid term presentation will be on **Requirements Analysis** and **Design** of your project.
2. The slides should contain the following information:
 - a. Overview of what the project is about
 - b. How the requirements have been collected
 - c. The design and/or methodology of the project (accompanied by appropriate diagrams)
 - d. Software/tools/platforms that are being used
 - e. Progress so far
 - f. Next course of action
3. Students will be given **6 minutes** for their presentation, followed by Q/A. During the presentation, they will usually not be interrupted. It is the student's job to make sure they cover everything they want to present within the allotted time.
4. The presentation must be in **English**. During the Q/A session, they will answer questions in the language it is asked.
5. The student should be in formal attire.
6. Every student must be present for the entire session.
